TORAH ACADEMY BUSINESS RESOURCES

A DIRECTORY OF PRODUCTS AND SERVICES
OFFERED BY
THE TORAH ACADEMY FAMILY

In support of each other...

As a community within a community, Torah Academy places a high value on connection and providing for one another. We are fortunate to have many business professionals among us who have expertise across a range of fields, and who stand at the ready to advise and service our fellow community members.

We present this listing in the hope that it will mutually benefit both provider and patron, using the close-knit nature of our yeshiva community to meet our personal and professional needs. When we support each other's individual endeavors, we collectively prosper.

May our efforts to strengthen one another be pleasing to the One who ultimately provides for us all.

Rabbi Reuven Feinberg
